

Make A Fall Leaf

Supplies InCluded:

Water colors
Paintbrush
Color diffusing paper leaves

Supplies you will need:

A cup of water
Something to protect your work surface

Directions:

1. Wet the paintbrush and choose a paint color
2. Paint a section of the leaf
3. Repeat with as many colors as you would like

NOTE--This special paper has a fabric-like texture which enables colors to flow and blend to create spectacular patterns. The wetter the paint is, the more the colors will blend together.
