

Getting started with OverDrive on a computer

Use these steps to borrow and enjoy digital titles from your library on your Windows® or Mac® computer.

Step 1

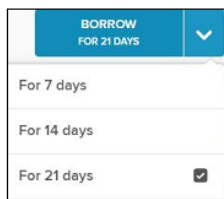

Visit the SAILS OverDrive website at sails.overdrive.com

Step 2

When prompted, sign in. Select "SAILS Library Patrons" from the drop down menu on the left. Enter your library barcode number. The PIN should be the last four digits of your phone number.

Step 3

Browse the collection and borrow a title. Be sure to select "21 days" as the lending period. Titles can always be returned early!

Borrowed titles will appear in your account under "loans".

From here, you can:

- Read, watch, or listen to titles right in your browser.
- Send Kindle books to your Kindle device.

You will be redirected to Amazon- don't worry, it's still free! Select "Get library book" and login to your Amazon account if prompted. Make sure your Kindle is connected to wifi and your eBook will download instantly!
