

2020 Summer Reading Craft

Mermaid/Merman Tail

Glittered cardstock (cut into 1" circles)
Light pink, light blue and light green card stock (cut into 1" circles)
1" circle punch
Cut out mermaid tail
2 jumbo wavy craft sticks
2 mini craft sticks
craft paint
Hot glue/hot glue gun
Glue Stick

1. With an adult's help, carefully glue the bottom of your two wavy craft sticks to make a triangle, leaving just enough room on the open end for the 2 miniature craft sticks to fit across.
2. Carefully glue the 2 miniature craft sticks across for the flat side of the triangle.

3. Lay out a piece of scrap paper and paint your mermaid tail triangle and let dry.
4. Starting at the bottom point of your mermaid tail triangle, start carefully gluing the circles or mermaid scales from the bottom till the top
5. Glue the tail to the back point of your mermaid tail
