

Getting started with **libby** the new, free app from OverDrive

The Libby app is a new, one-tap reading app for borrowing digital books and audiobooks from your library

- 1 • With your library card at the ready, search "Libby" in your device's app store. Note: the Libby app may be called "Libby, by Overdrive" in some app stores.
- 2 • Once downloaded Libby will ask if you have a library card. Select "yes".
 - Now you need to sign in. When prompted select "I'll Search For a Library".
 - Type "SAILS Library Network" and tap "SAILS Library Network" when it pops up.
 - Next, tap "Choose A Location" and tap "SAILS Library Patrons" on the drop-down menu.
 - Next, type in the 14-digit number on the back of your library card. Next, type in your four digit pin number, which should be the last four numbers of your phone number.
 - You're signed in! Tap "Next".
- 3 • Now you're ready to browse the library's digital collection! You can tap "Search For A Book..." in the top left corner and type in a title or author. You can also tap "Explore" on the right side and browse that way.
 - Tap on a book cover to borrow or place a hold.
 - When borrowing be sure to sure to tap "21 days" at the top of the screen. You should only have to do this once.
 - You can start reading or listening right away or you can keep browsing the library's collection.
 - At the bottom of the screen you will see the the options "Library" and "Shelf" on either side of the Libby icon. Tapping "Library" will bring you to the collection and tapping "Shelf" will bring you to your loans and holds.

"Can I read eBooks on my Kindle with Libby?" Yes!

Turn this flyer over to find out how and to learn about more great Libby features!

More great features from Libby

- Read eBooks from Libby on your Kindle and Kindle Paperwhite!
 - Go to your "Shelf".
 - Tap "Read With..." next to the book cover then tap "Kindle apps & devices".
 - You will be redirected to Amazon- don't worry it's still free! Log in to your Amazon account if prompted to do so.
 - Tap "Get Library Book" and make sure the correct device is selected from the drop-down.
 - Now grab your Kindle or Kindle Paperwhite and turn on the wi-fi. Your eBook will download automatically!
- Holds are automatically checked out to you!
 - You can check the status of your holds from your "Shelf". From there you can see an estimated wait time.
 - If a hold mysteriously disappears from your "Holds" it has likely become available to you and can now be found under "Loans".
- Customize the size and font of the text in your eBook!
 - If you prefer reading text that is a little smaller or larger than average Libby has you covered!
 - Tap the ☰ icon at the top right of the page and tap "Reading Settings".
 - From here you can change the font and size of the text.
- Change the playback speed of an audiobook and display your progress!
 - To change the the playback speed of an audiobook:
With your audiobook open, tap on the ⏮ icon at the top of the screen and drag your finger down to speed your audiobook up or drag it up to slow it down.
 - To display your progress:
With your audiobook open, just beneath play button you can see how much time is left in the whole audiobook by default. By tapping that number you can change it to show total time elapsed, the time left in your current chapter, or your total progress as a percentage.
