## Take & Make Craft Instructions

**Grades 3-12**

Supplies Provided:

Wooden Dowel

Yarn

Supplies Needed:

Scissors

**Step One-** Cut yarn so it is all the same length, about twice as long as the wood dowel.

**Step Two-** Fold yarn in half evenly. This creates a loop at one end. Drape the loop over the wooden dowel. Pull the other end of both strings through the loop and pull tight.

**Step Three-** Repeat step two with all the yarn you have (or as much as you want to use)

**Step Four-** If you want, use scissors to cut the yarn all the same length or cut them at an angle...it's up to you!
