

2021 Summer Reading Paper Plate Forest Animals

Supplies for Fox:

Orange paper plate Google eyes Black pom pom
Cream colored paper Glue Stick Scissors

1. Cut the Orange paper plate in half. One half forms the body and make the ears, face, legs and tail out of the other half. From one half, cut out a triangle that will form the fox's face. Cut out 4 legs, one tail & 2 small triangles that will form the ears.
2. Cut out a triangle from the cream colored paper. Use the paper plate cutout as a template and then make zig zag cuts at the top to form its furry nose. Using glue, stick in place. Let dry.
3. Complete the face of the Fox by sticking a black Pom Pom for its nose, 2 googly eyes and ears. You can add cream paper for the ears too.
4. Finally glue all of the pieces together to the paper plate half as shown

Supplies for Bear:

2 Brown paper plates (or white plates colored brown) White/tan/brown paper Black marker
Glue/tape Scissors Black pom-poms Google eyes

1. Start by cutting a piece out of the bottom of a paper plate making it look like the bear's "feet" on each side. Then take another paper plate and cut out the middle circle leaving two ear shapes on top. From the scraps cut out a small tail.
2. Cut an oval out of tan paper and draw a nose/mouth on it.
3. Finish off the craft by taping or gluing the pieces together & adding eyes.

Supplies for Porcupine:

Grey paper plate Black marker Google eyes
Glue/tape Scissors Black pom-poms

1. Start by folding a paper plate in half & gluing it closed
2. Cut slits along the edge of the plate
3. Cut strips in the top of the paper plate for the porcupine's back
4. Draw in eyes, nose, mouth & ear
