Paper Spinner

Supplies:

Twine Lightweight Cardboard Markers
Printer paper with circle template Scissors Glue sticks

1. Make 2 circles onto your printer paper
2. Add color to these circles, the more colorful, the more fun it is to see as it spins...
3. Cut out paper circles.
4. Use these to trace on a cardboard box and cut out 1 cardboard circle.
5. Glue on the paper circles to the cardboard, (one on each side!)
6. Poke two holes right in the center of the cardboard circle
7. Take a piece of twine, about 28 inches long. Run the twine through the holes and tie a knot

Time to play with your Paper Spinner:

Take a piece of rope in each hand with the circle in the middle and go in circles to get the rope twisted.

Now you pull...relax...pull...relax. IF you do it right, the spinners make a humming noise!!!!
