

## April Take & Make Spring Chick

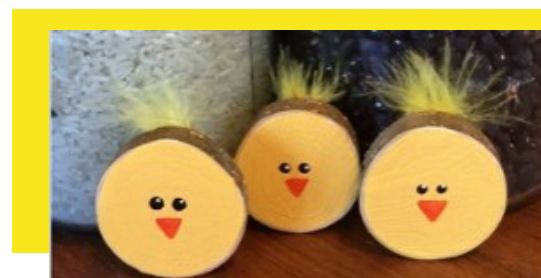

### Supplies Included:

Round wood piece  
Yellow paint  
Yellow feather  
Googly eyes  
Paintbrush

### Supplies Needed From Home:

White or Craft glue  
Orange marker  
Black marker (optional)

1. Paint your wood piece yellow & allow it to dry completely. You may want to do multiple coats of paint depending on how bright you want the yellow to be.
2. The googly eyes are self adhesive, but you can glue them on for extra strength (you can also use a black permanent marker to make the eyes if you prefer)
3. Draw in the beak with your orange marker
4. Glue the yellow feather to the back of the wood piece
