

November 2022

Take & Make: Fall Wreath

Supplies Provided

Cardboard wreath shape
Faux Acorns
Mini Pinecones
Faux fall leaves

Supplies Needed from Home

Strong glue
Optional--markers, crayons

1. Optional--if you would like to color your wreath with crayons or markers, do so before gluing anything on
2. Add a generous amount of glue to the wreath and attach the acorns, leaves & pinecones.
3. Use the ribbon to make a bow or a loop shape & attach it to your wreath

3. Let the wreath dry overnight. Once everything has dried, add the twine to the back and hang your wreath
