

## December 2022 Take & Make

### Winter Bauble

#### Supplies Provided:

Plastic Bauble  
Ribbon  
Tissue Paper  
Cording

#### Supplies Needed From Home:

Scissors

1. Tear tissue paper & cut the ribbon, this will be the "filler" for your bauble.. This craft is more interesting to look at if you make the filler pieces different sizes.
2. Fill one side of the bauble with the pieces of ribbon and tissue paper.
3. Put the two pieces of the bauble together.
4. Put the cording through the hole at the top of the bauble. Hang as an ornament on a tree, in a window or anywhere where a decoration would look nice!
