

## *April 2023 Take & Make Raindrop Suncatcher*

### Supplies Provided:

Contact paper  
Blue tissue paper  
Raindrop outline

### Supplies From Home:

Scissors

1. Cut your piece of contact paper roughly in half. You will need a piece for the bottom & the top of the raindrop.
2. Peel 1 piece of contact paper and lay it on the table (sticky side up). Then lay the raindrop outline on the sticky side of the contact paper.
3. Rip (or cut) the different colors of blue tissue paper to fill in the entire inside area of the raindrop.
4. Once the area is filled, place the second sheet of contact paper sticky side down.
5. Cut the excess pieces of contact paper from around the raindrop and you are ready to hang it in the window
