## Paper Bag Book

### INCLUDED:

Paper Bags  
Yarn

### SUPPLIED BY YOU:

Hole Punch  
Crayons/Markers  
Additional  
Decorations

**New kits  
available each  
week while  
supplies last!**

### INSTRUCTIONS:

1. To begin you need to create a flat "tunnel" from each bag. Leave the bag flat and cut off the gusseted part leaving just a flat "tube" of paper.
2. Stack all three bags on top of one another and fold them in half  
Working with just one folded paper bag at a time punch a set of 3 holes near the fold.
3. Place the bag that's already had holes punched on top of another bag and mark where holes should be punched. Remove the first bag, punch holes on the spots marked, and repeat with the third bag
4. Use yarn to loop through the holes and tie in bows or weave up and down through all of the holes
5. Because the book is constructed from paper bags each page has an inner envelope. This is the perfect spot for stashing special treasures
