

Supplies Provided:

Pool noodle sections
Pom poms
Googly eyes
Pipe Cleaners

Supplies from Home:

Low temp hot glue gun (or Tacky Glue)
Scissors
Scotch Tape
Any addition decoration items

Use glue to affix googly eyes in an array of patterns and positions on each pool noodle

Cut and bend the pipe cleaners into a variety of shapes (curls, bends, etc) and stick them in the pool noodle segments to create arms, legs, antenna. Stick the pipe cleaners into the noodles and/or glue them on the noodles.

Glue pom poms all over the pool noodles to make mouths, ears, eyes, antenna toppers, and more. Be creative!
