

## Solar Eclipse Model

### Supplies Included:

Paper Plate  
Sun, Moon & Earth coloring page  
Craft Stick

### Supplies From Home:

Scissors  
Crayons  
Tape or Glue

1. Color and cut out the shape of sun, moon & earth
2. Make an arc cut in the paper plate
3. Tape or glue a craft stick to the back of moon cutout.
4. Glue earth and sun on the paper plate
5. Insert the popsicle stick attached to the moon in the cut made on a paper plate. Make sure that you are able to move the stick comfortably from the back.
