

# Painting Fall Leaves

## Supplies Included:

Water colors  
Color diffusing paper leaves

## Supplies From Home:

Paintbrush or Cotton Swab  
A cup of water  
Something to protect your work surface

---

## Directions:

1. Wet the paintbrush or cotton swab and choose a paint color
2. Paint a section of the leaf
3. Repeat with as many colors as you would like

NOTE--This special paper has a fabric-like texture which enables colors to flow and blend to create spectacular patterns. The wetter the paint is, the more the colors will blend together.
