

# November '24 Take & Make Craft Stick Scarecrow

## Supplies Provided:

5 jumbo craft sticks  
4 regular craft sticks  
2 googly eyes  
Felt  
Fall Foam sticker  
Raffia Ribbon

## Supplies From Home:

Glue  
Black Marker  
Paint or markers

## Instructions:

1. Line up five jumbo craft sticks and glue three of the smaller craft stick horizontally across the back (one near the top, one in the middle, one near the bottom)
2. While waiting for the glue to dry, cut a felt triangle for the scarecrow's nose. Once the glue is dry, draw a diagonal line across the top of the craft sticks (this will be the "hat" portion of your scarecrow).
3. Color or paint the part of the craft sticks that is ABOVE the diagonal line. Also color or paint the remaining small craft stick (this will be your hat brim)
4. Glue the hat brim, googly eyes, felt nose, fall flower and raffia hair. Draw on a scarecrow mouth
