

# April 2025 Take & Make Paper Flower Bouquet

## Supplies Included

Construction paper  
Paper Bag

## Supplies From Home

Scissors  
Glue Stick  
Markers  
Pencil  
Tape

1. Fold a piece of construction paper on half long-wise, slightly off center.
2. Make snips all along the fold, each about 1/4" wide. Do not snip through the paper but leave about an inch on the bottom of the paper uncut.
3. Invert the cut paper along the fold and secure it in place using the glue stick.
4. Then roll it up. Use a pencil to start the rolling process.
5. Once it is rolled up, secure it with a couple pieces of scotch tape.
6. Make a "pot" for your flowers by drawing a design on the front bottom half of a paper lunch bag.
7. Then open it up and fold down the top of the paper bag about 3 times.
8. Place the paper flowers that you have made into your pot. About 3 flowers fills it nicely.
