

Take & Make Patriotic Wind Sock

Supplies Provided

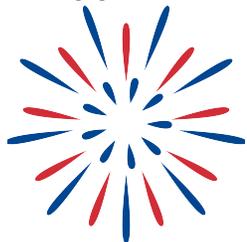

Cardboard tube
Red streamers
White Streamer
String or Yarn or Ribbon

Supplies From Home

Glue
Paint/Markers/Crayons

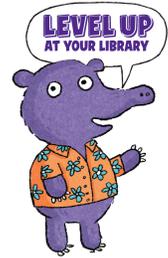

1. Paint/color the tube blue OR use blue paper to cover the tube
2. Paint/color white stars on the tube OR use white star sticker OR glue on white paper stars
3. Cut the red & white streamers to a length of about 12 inches, then cut them in half to make them thinner
4. Glue the red & white streamers to the inside of the blue tube
5. Put the string/ribbon/yarn through the holes at the top so that you can hang your windsock
