

September 2025 Take & Make: Fall Apples

Supplies Provided

4 Small Popsicle Sticks
2 Mini Popsicle Sticks
Foam Sheets
Green construction paper
Brown construction paper

Supplies From Home

Black Marker
Glue

1. Gather four small popsicle sticks and lay them evenly in a straight vertical line.
2. Glue 2 mini popsicle sticks diagonally. This will hold your popsicle stick apple together.
3. While that is drying, cut a circle out of foam sheets.
4. Then, cut out small sections.
5. After that, glue one side to the top and one side to the bottom of your popsicle sticks.

6. Next, cut out and glue a small stem and leaf out of construction paper

7. Finally, use a black marker to make black seeds
